

Tithe Barn Times

Developing cheerful,
confident achievers.

18th September 2020

Busy Term

The children have all been working very hard and our new Reception children have settled into life at Tithe Barn.

We are looking forward to this term's special events however this year we will be doing them a little differently. Our Flower Festival and our Harvest Festival will be taking place virtually this year and we will share further details shortly. We hope that you will still be able to enjoy these events.

Thank you for your continued support

A few helpful reminders

Lunch boxes

Children who are having a packed lunch can bring this to school in a lunch box that will be taken home every day.

School Dinners

Please ensure that you pre- order your school dinner at home. We will not be able to order dinners in school.

Drinks Bottles

Please send your child in with a drinks bottle filled with water. These will be sent home every night for washing. Please ensure they are returned to school the following day.

PE kit

All children need to have a PE kit in as normal. This will be sent home every Friday to be washed.

Stationery and other equipment

Please can you ensure that your child does not bring in a pencil case, toys or any other equipment from home. All of the equipment that they need in school will be provided. Children do not need to bring in any bags except lunch boxes, PE kits and book bags.

Thank you for your support with the reopening of our school.

Thank you

Giving Machine

As part of the Friends of Tithe Barn efforts to raise money for our school they have an account with the Giving Machine. This is one of the easiest ways to support our school in raising much needed funds. All you have to do is register and shop. What could be simpler!

The site is supported by a number of big retailers including John Lewis, Amazon and Waitrose- to name just a few.

Nut Allergy

Please be aware that we have children in school with severe nut allergies. Therefore we kindly ask that you refrain from sending any nuts or products such as snack bars in containing nuts.

Thank you for your support with this matter.

Safeguarding

As a school we are committed to the Safeguarding of all our children. Our school policy can be found on our website. All staff have recently attended Safeguarding training and both **Mr Blackburn and myself** are trained **Designated Leads for Safeguarding**.

If you ever have any concerns regarding safeguarding please do not hesitate to contact myself or Mr Blackburn. You can contact us by ringing school or emailing us.

After School Club

Our wonderful After School Club currently has some additional availability. The Club is open from 7.45 am till the start of school and at the end of the school day until 5.45 pm. It is run by our team of friendly staff and provides a high standard of care.

We have availability for both regular sessions or for them to be booked as required. We currently have limited availability every morning and after school on Monday and Friday.

Please contact Miss J Hughes (club manager) for further information-
