Developing cheerful,
confident achievers.

18th December 2020

Merry Christmas

As this is the final day of our first term, I wanted to take the time to write to you to thank you for your support to ensure our children's autumn term has been such a success. From adhering to the new procedures, engaging in home learning and all of your positive feedback, we could not have been so successful without your support.

It has been wonderful to be able to share some of our Christmas celebrations with our children and it was a pleasure to see their faces light up when Father Christmas came to call.

The staff team have all worked tirelessly, embraced new challenges and ensured that the children are at the centre of everything we do. I want to thank them for all of their hard work this term

I hope you have a lovely break and a Merry Christmas. I am sure we are all hoping for a more positive 2021.
